LOUISIANA HAYRIDE

We got to take a trip down memory lane with this unique and incredibly entertaining musical spectacular.

The Louisiana Hayride Show brought us back in time and boy was it fun. The stage was filled by Elvis, Patsy Cline, Buddy Holly, Lefty Frizzell, Loretta Lynne, Conway Twitty, Crystal Gayle, Roy Orbison and even Shania Twain.

We love the variety of different shows and acts that cycle through our stage and this was just another example of some awesome entertainment.

WHAT'S NEW?

GUESS WHAT!

Remember our last cake decorating class in March? Well, Carla from Ginger and Spice Cakery is coming back in June! Keep an eye out for ticket registration.

WEDDING TIP

Have you thought about ceiling decor for your big day?

Two options we can offer here at the Centre are ceiling draping and twinkle lights. The sheer draping truly helps to soften the space and the twinkle lights can add some extra romance to the lighting.

Inquire today if you would like these options added to your event.

WINDMILL THEATRE - *YOUNG FRANKENSTEIN*

Windmill Theatre Players has done it again! Another successful and entertaining production bringing us laughs and never failing to draw us in. Two weekends full with shows including dinner theatres, regular theatre seating and even a dessert night.

This show was every bit as relevant to audience members who remembered the original as it was to newcomers, Young Frankenstein had all the panache of the screen sensation with a little extra theatrical flair added.

Thanks for such a great show Windmill!!
