THE REHEARSAL - A SOUTHERN ALBERTA WEDDING FAIR

EVENT PRODUCED BY THE HIGHWOOD CENTRE

On February 18, 2023 we were able to host a new wedding fair! Joined by over 30 industry professionals, we created an interactive wedding fair for brides to come and plan their big days.

Planning a wedding can be incredibly overwhelming, but having people in your corner who know what their doing can make all the difference. As couples mingled around the Centre, they got to learn and be inspired for their own wedding.

In the early afternoon we were joined by 3 of the vendors in an educational series called "Talk Wedding to Me!" Fiore Fine Events talked about how to find the right wedding vendors, Orange Trunk Vintage Rentals discussed how to create a lounge in your space and Revel Photography explained how to find the perfect photographer for you.

We are excited to announce that we will be hosting this event again next year! We hope to see you there!

NEW RENOVATIONS HAPPENING

For anyone that has recently visited our office you might have noticed a new layout. With our team growing it became very apparent that some change needed to happen to create a more conducive working environment.

That being said, we took out the old built in desk that blocked off the office and brought in a few new desks for our team. The floors have been redone and we are absolutely in love with the new looking space.

We are so excited to help plan your events in our new office.

FOOTLOOSE IN THE FOOTHILLS

On the weekend of February 3rd to 5th we were excited to host a Footloose Line Dancing Festival! All weekend there were classes taking place for all levels of dancers.

Stay tuned to see the 2024 dates go live!
